

Healthcare Procurement European Forum

Monday 28th from 9am to 12am

Catalan Health and Social Care Consortium (CSC)

Av. Tibidabo, 21. Barcelona

Introduction and why

The Catalan Health and Social Care Consortium (Consorti CSC) group 39 hospitals. As a central purchasing body the Consorti and the hospitals associated are interested to know the current public procurement trends implemented around. The visit to Barcelona of EHPPA central purchasing bodies is an opportunity for the Consorti associates to understand what's going on in health public procurement in Europe and an opportunity for the participants to show and debate about the implementation of innovative models like value based purchasing among others.

Audience: Consorti associates and institutional invitations

- Hospital health care procurement responsables
- Hospital pharmacists
- Hospital managers
- Health authorities
